- Special shout-out on Owenea FM week prior to Show.

The Ardara Show is one of the biggest one-day events in the county, and one of the most popular with visitors and exhibitors alike – drawing roughly 5,000 visitors each year and climbing. However, the continued success of the Show is only possible with the support of local companies and organisations. Sponsorship is crucial to maintaining the high standard of entertainment and exhibits offered at the Show.

By involving your company, you can benefit in these key areas:

- **Targeted reach of 5,000 potential customers from the North West Region**
- **Effective brand exposure for your product or service and excellent facilities for yourself and your guests**
